Looking for the perfect rug to complement your Prouvé dining table and Perriand chairs? How about something unique and contemporary, made by London furniture designer **David Linley** in collaboration with textiles designer **Christopher Farr**. Each wool-and-mohair "Dovetail Rug," based on the woodworking style frequently used by Linley, is hand-knotted in a traditional Turkish weave and takes six months to create. The 7-by-10-foot rug comes in six sets of colors, such as green and cream or rose pink and shocking pink, above (\$10,500). Four examples are on display at Christopher Farr's **Courtyard Gallery** in Los Angeles from February 28 through April 15.
